- Need a bite to eat? Chow down on your favorite summer treats at our themed grab-and-go food station.

A Summer Celebration at the Museum

August 5, 2022

Rotunda Tours

During a 30-minute tour of the 1933 train station, docents explain the architecture, construction and art of one of the finest examples of the Art Deco style, including the world-famous mosaic murals.

Tours every half hour beginning at 5 p.m. with the last tour at 7:30 p.m.

Food Science! Stage Show

Enjoy some science demonstrations as you watch ice cream form right before your eyes at -320° F with liquid nitrogen and stick around for a taste!

Museum of Natural History & Science, Austin E. Knowlton Foundation Science Stage from 5 to 5:30 p.m.

Make Slime

Take home an ooey, gooey gift as you transform ordinary ingredients into slime!

The Children's Museum, KidSPACE from 5 to 7:30 p.m.

Raptor Inc. show

Get up close and personal during this exciting presentation featuring live avian ambassadors!

The Children's Museum, Corbett Theater at 5:30 and 6:30 p.m.

Bats Up Close

Get up close and personal with our big brown bats as CMC's animal specialists provide insight into their behavior, physiology and roles as pest insect predators.

In the Museum of Natural History & Science, Cave Plaza at 6 and 7 p.m.

Printmaking

Paper marbling and printmaking activity on the historic letterpress.

Cincinnati History Museum, History in the Making classroom from 6 to 7 p.m.

Button Making

Create your own button to take home.

In the Avenue, between the Children's Museum and *The Science Behind Pixar* from 5 to 7:30 p.m.

Special Guest: Mr. Red from the Cincinnati Reds
